

ANNABELLE DAVIS

CURRICULUM VITAE

Annabelle is a senior heritage, land access and community relations professional with a unique career background in mining, state government and heritage consulting. Annabelle is passionate about working closely with clients and their community partners to develop heritage management solutions that result in avoiding and minimising harm to cultural heritage.

Annabelle has a comprehensive understanding of Aboriginal heritage legislation and agreement making which is coupled with over 20 years of first-hand experience working with Traditional Owners in the field across Australia.
